SPEED SQUARES

Speed Square
S0101

1/4" spaced notches to facilitate scribing lines

Black gradations

Includes Diamond™ feature that makes layout work and seat cuts on common rafters easy!

Matte Finish to Prevent Glare

5 Tools in One!

- Try Square
- Line Scribe
- Miter Square
- Saw Guide
- Protractor

Big 12" Speed Square
S0107

1/4" spaced notches to facilitate scribing lines

Black gradations

Heavy Gauge Aluminum

Matte Finish to Prevent Glare

7 Tools in One!

- Out of Square Corners
- Try Square
- Miter Square
- Line Scribe
- Saw Guide
- Stair Layout
- Protractor

Patented Layout bar for out-of-square corners and stairway layout.

Speed Squares are packaged with the "Little Blue Book" of instructions

SPEEDLITE SQUARES

Big 12 Speedlite Square
T0701

1/4" spaced notches to use for scribing

9" scribe bar to facilitate scribing lines

Center line guide for locating center of round stock

Diamond™ cut out for easy layout

Speedlite Square
T0118

Diamond™ cut out for easy layout

Center line guide for locating center of round stock

Speedlite Squares of lightweight high-impact structural composite material, great for siding and won't mar finish!
